

SEPTEMBER 28TH: SMUTANDIAMOCI! PANTIES OFF FOR SAFE ABORTION RIGHT

International Day of action and Regional rise up

In Italy the abortion right has been approved by the Law 194 in 1978, but since then our **SELF-DETERMINATION** is constantly **THREATENED** by religious, political e institutional control, **ALSO IN TUSCANY** throughout:

- * Tuscan Forum of the Organisations for Family Rights (composed of hate-promoting groups, **NO CHOICE, NO ABORTION**) was **ENTRUSTED BY TUSCANY REGION WITH THE CARE OF SERVICES INSIDE WOMEN CLINICS**.
- * Extensive recourse of **CONSCIENTIOUS OBJECTION**: 70% national average, 60% in Tuscany with ups of 76,3% at Careggi Hospital in Florence.
- * **OBSTETRICAL VIOLENCE** and over-determination **BY MEDICAL STAFF** on women who freely choose to have an abortion.
- * Frequent and often arbitrary recourse to **SURGICAL INSTEAD PHARMACOLOGICAL ABORTION** (RU486) by health structures.

Since long time many groups of **NON UNA DI MENO** have been fighting **IN TUSCANY** through **SMUTANDATE** campaign to improve women-clinic services with respect of **WOMEN AND LGBTQI+ PERSONS SELF-DETERMINATION**.

ON 28TH OF SEPTEMBER - the International Day for free, safe and guaranteed abortion - **WE / NON UNA DI MENO FROM ALL AROUND TUSCANY TAKE A SQUARE OF FLORENCE** FOR ONE RECLAIMING DAY TO DISCUSS AND SHARE EXPERIENCES.

3 PM - PIAZZA SS. ANNUNZIATA: Consultoria & open meeting with gynaecologists, activists and everybody willing to talk about abortion right.

5:30 PM - INDECOROUS WALKING towards Tuscany Region congress.
